

Cookie Policy

Our website uses a limited set of cookies or similar technologies only for essential functionality, security, and fraud/bot prevention (for example, to protect the site and ensure reliable delivery).

Analytics and performance monitoring. We use Cloudflare Web Analytics and Real User Measurements (RUM) to understand aggregated usage and monitor website performance (for example, page views, referrers, approximate location, device/browser information, and performance metrics such as page load times). Cloudflare Web Analytics is designed to operate without setting cookies or using localStorage for analytics purposes.

Third-party services. When you are redirected to Stripe Checkout to complete a payment, Stripe may set cookies on Stripe's own domains to process payments and help prevent fraud. Please refer to Stripe's privacy and cookie policies for details.

You can control cookies via your browser settings. Disabling certain cookies may affect site functionality.
