

Terms of Service (Terms & Conditions)

These Terms govern use of the MyTradingBot software (the “Software”) provided by SoftPB Inc. By downloading, installing, or using the Software you agree to these Terms.

License: You receive a time-based, non-transferable license token valid for the purchased term. After expiry the Software switches to read-only until a new token is provided.

Non-custodial: The Software does not custody funds. API keys are stored locally on your device. Withdrawals are disabled by design (no withdrawal permission).

Risk: Trading is risky. No profit guarantees. Not financial advice. You are solely responsible for trading decisions and outcomes.
